Contributed by admin

The Marriott's Beachside Key West Hotel is putting out the green carpet at its keywest restaurant, Tavern N Town this Wednesday, March 17th. They're celebrating St. Patrick's Day with real Irish pride freely flowing all night long. Located just off the Grand Lobby of the Key West Beachside Marriott Hotel, the Tavern N Town restaurant and bar is a Key West favorite, and is fast becoming a Conch Island attraction in and of itself as one of the islands premier restaurant and bars in Key West. However, Tavern N Town is not above being loud and raucous whenever a reason to celebrate presents itself.

Keeping

Irish spirits high and everyone feeling lucky at Tavern O' Town this St. Patrick's Day will be a happy hour hosted at the Blue Bar and The Suzanne Moore Band will play from 5 PM to whenever. And traditional Irish drinks and dinner specials will be added to the diverse menu of the Tavern N Town. Of course, you can always order that steak or seafood favorite of yours. They'll be very accommodating this Wednesday night at the Tavern N Town in the Key West Beachside Marriott, especially if you're wearing your green.
